MEDICINAL. AT HALF MAST.

Sometimes we are greeted in the morning by flags at half-mast for some prominent official who yesterday was apparently in perfect health. When we inquire the ailment by which he was stricken it is not uncommon to be told "acute indigestion" or "stomach trouble."

It is time people learned that indigestion or any form of "stomach trouble" is not a thing to trifle with. The result may not be fatal, but there can be no condition of diseased stomach which does not carry with it physical loss and weakness.

Dr. Pierce's Golden Medical Discovery cures indigestion and other forms of disease affecting the stomach and its allied organs of digestion and nutrition. It enables the perfect digestion and assimilation of food.

"Thanks to Dr. Pierce's Golden Medical Discovery," writes Mr. Charles H. German, of Lehigh, Pa. "It is the only medicine that has done me any good. I tried everything I could think of to cure indigestion, and found I was only throwing away money. Then I heard of Dr. Pierce's Golden Medical Discovery and tried a bottle of it, and to my joy found it was doing me good. I used six bottles of it, and am now cured. It is the best medicine on earth."

This grand remedy does its work in a thorough manner; it gives the health that is all health; the strength that is solid, substantial and lasting; not flabby fat, not false stimulus, but genuine, complete, renewed vitality and life force.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

HANNA TO RETIRE.

The politicians in Columbus, Ohio, understand well that Senator Hanna does not intend to be chairman next year of the national committee. He has told his friends that his decision is made.

As soon as he is through with his present State campaign, he feels that he is entitled to rest on his laurels. His health has been none too good, which is his chief reason for not accepting the chairmanship that President Roosevelt would undoubtedly like to bestow upon him.

There is a bit of interesting history in connection with the national chairmanship. Last winter Mr. Hanna, at somebody's request, went over to New York to sound the moneyed men as to the financial prospects for the national campaign of 1904.

He received a discouraging answer. The men who put up money for political struggles told Mr. Hanna frankly that they would be pleased to help him out personally, but they did not feel inclined to put up money for the republican party next year as they had done in the last two presidential elections.

Mr. Hanna does not like the idea of running any campaign without a good war chest, and even if his health were good, he would balk, under the circumstances, at undertaking such a task. Talk is heard in Columbus that State Chairman Dick has been considered for the national chairmanship. He is familiar with Mr. Hanna's methods, and was at one time secretary of the national committee.

MURDERER ARRESTED.—George Jaggers was lodged in jail at Newton, N. J., yesterday charged with the murder of Mrs. Victor E. Bevans at Peters Valley last Friday. Twenty deputy sheriffs were guarding the jail last night. There is strong feeling in town against the prisoner, and advices from the scene of the crime say that there has been talk of forming a lynch party. It is claimed the only thing that has prevented summary action has been the fact that the residents of the valley have been undecided whether to lynch Jaggers or another man who was suspected. Mrs. Bevans' funeral was held yesterday, and the people of the entire valley turned out. When the funeral started Sheriff Andrews and his deputies took position in line close behind the immediate relatives and friends. As soon as the cortege was out of sight Sheriff Thompson, of Branchville, drove to Jaggers' house and found him at the bedside of his dying wife. Jaggers was arrested and escorted to Newton by 20 armed deputies. Over a thousand people had surrounded the jail, but the officers lauded their prisoner safely. Sheriff Andrews said on returning from the funeral that he could not have gotten Jaggers out of the valley alive had not his ruse worked. Jaggers protested his innocence, but the sheriff says he has a strong circumstantial case. Mr. Bevans, who was shot at the same time as his wife, was in a critical condition last night.

ADMIRAL SCHLEY'S MEMOIRS.—Rear Admiral Schley (retired) is writing his memoirs. He is just now at that period of the Chilean rebellion when he and his ship were ordered to the scene of the trouble on account of the alleged violation of the neutrality laws by the Itata. He has passed that part of his recollections which took him into the Arctic region in search of the Greely expedition. The expedition into the polar regions and the Santiago campaign will be the most interesting parts of the story he has to tell. At the time when the rescue of the survivors of the Greely expedition was a supreme test of the popular mind there were many assertions and insinuations about cannibalism among the members of the party. The friends of the retired Admiral have always asserted that he could and would at the proper time tell what he had learned about the matter before the mouths of those who knew the facts were closed. Judging from what the Admiral has said, his story of the Santiago affair will be a simple, straightforward tale, backed up with references to public documents to bear out assertions he may make on controverted points. There will be no bitterness in it so there will be no opportunity for his enemies to have him hauled before a court martial, as would be the case were he to write in a controversial vein.

RAG TIME IN CHURCH.—"The home and the church have too long been apart: I bring them together," is the sentiment which has inspired Rev. Homer M. Cook to allow rag time music to be played in his church, the Forty-eighth Street Baptist, in Chicago. His home is in his church. Both are open to visitors through the day and almost all night. Every evening groups of young men and women play dominoes, checkers or chess in the church, or gather about the piano and sing popular songs. Every one is welcome, especially strangers. Back of the Sunday school room in the basement Mr. Cook has his sitting room, and in the room behind that Mrs. Cook prepares chafing dish suppers for the visitors.

The assistant pastor of this church is a woman. For worship or wholesome amusement the church is never closed. Mr. Cook's congregation is large, and its members are entirely in accord with his view.

Ran a Ten Penny Nail Through His Hand.
While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by Richard Gibson.

The Salve that Heals

DeWitt invented Witch Hazel Salve and Dr. Witt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, tetter, or blind, bleeding, itching and protruding piles. I was afflicted with catarrh; could neither taste nor smell and could hear but little. Ely's Cream Balm cured it.—Marcus G. Shantz, Rahway, N. J.
Cream Balm reached me safely and the effect is surprising. My son says the first application gave decided relief. Respectfully, Mrs. Franklin Freeman, Dover, N. H.

BLEEDING LUNGS

Cured by Dr. Bull's Cough Syrup, the old reliable cough cure.
Wm. H. Breder, of Christie street, New York City, writes: "I have had a cough ever since my childhood. It was so bad that blood would spurt from my nose, which would leave me weak, so that I was often compelled to leave my work. Started to take

Dr. Bull's Cough Syrup
and before the third bottle was finished my cough was entirely gone."

Dr. John W. Bull, who discovered Dr. Bull's Cough Syrup 62 years ago, was the most successful doctor for all throat and lung diseases the world has ever known. No other doctor has ever been able to devise a better formula. There is no case of throat or lung trouble which Dr. Bull's Cough Syrup will not cure.
